INDEPENDENT AUDITOR'S REPORT

To the Board of Directors United Way of Roanoke Valley, Inc. Roanoke, Virginia

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of United Way of Roanoke Valley, Inc. (the "Organization"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of United Way of Roanoke Valley, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Report on the Audit of the Financial Statements (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 24, 2023, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 1. Organization and Significant Accounting Policies

Organization

The United Way of Roanoke Valley, Inc. (the "Organization") is a nonprofit organization that advances the common good by mobilizing the caring power of people in the Roanoke Valley and serves Roanoke, Salem, Vinton, and the counties of Botetourt, Craig, and Roanoke. In October 2017, United Way of Franklin County and United Way of Roanoke Valley regionalized operations and the Organization now also serves Franklin County. The Organization engages and mobilizes local businesses, nonprofits, and individuals to raise funds and invest in high quality human service programs that improve lives and strengthen our community. The Organization mobilizes the support of over a thousand volunteers to LIVE UNITED in the Roanoke Valley. Volunteers participate in a variety of ways to bring lasting positive change.

Basis of financial statement presentation

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are amounts currently available for use in the Organization's operations.

Net assets with donor restrictions are limited in use by donor-imposed stipulations that expire either by the passage of time or that can be fulfilled by action of the Organization pursuant to those stipulations. Net assets with donor restrictions also include amounts required by donors to be held in perpetuity; however, the income on these assets is available to meet various restricted and other operating needs.

Accounting standards adopted in the current year

Effective July 1, 2022, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) No. 842, *Leases*. ASC 842 requires that lessees recognize all leases (other than leases with a term of 12 months or fewer) on the statements of financial position as lease liabilities, based upon the present value of the lease payments, with corresponding right of use assets. The standard also makes targeted changes to other aspects of current guidance, including identifying a lease and lease classification criteria as well as the lessor accounting model, including guidance on separating components of a contract and consideration in the contract. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed it to carry forward the historical lease classification. The adoption of ASC 842 did not have a significant impact on the Organization's fiscal year 2023 financial statements.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 1. Organization and Significant Accounting Policies (Continued)

Cash and cash equivalents

For the purpose of reporting cash flows, the Organization considers all highly liquid investments purchased with an initial maturity of three months or fewer to be cash equivalents.

Cash is held in banks located in Virginia and is insured by the Federal Deposit Insurance Corporation (FDIC). At times, the balance in these accounts may be in excess of federally insured limits. The Organization's management believes that there is no significant risk with respect to these deposits.

Certificates of deposit

Certificates of deposit have original maturity dates ranging from 12 to 48 months.

Contributions received and pledges receivable

Contributions, including unconditional promises to give or pledges receivable, are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions, when the donor's commitment is received.

Contributions received and pledges receivable (Continued)

Conditional promises to give are not recognized until they become unconditional - i.e., when the conditions on which they depend are substantially met. Contributions of certain assets other than cash are recorded at estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. If necessary, an allowance for uncollectible pledges receivable is provided based upon management's judgment.

Property and equipment

Purchases of property and equipment in excess of \$500 are capitalized at cost. Property and equipment are carried at cost, or if donated, at fair value at the date of donation. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Equipment	5-10 years
Building	30 years

Deferred revenue

Deferred revenue at June 30, 2023 and 2022 consisted of grant funds received but not expended in the current year.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 1. Organization and Significant Accounting Policies (Continued)

Campaign and allocations

The 2021 annual campaign was to fund the July 2022 to June 2023 allocations to agencies. The 2022 annual campaign is to fund the July 2023 to June 2024 allocations to agencies. Campaign contributions received for the subsequent years' allocations are recorded as net assets with donor restrictions in the year of receipt net of designations and an allowance for uncollected pledges. In addition, campaign contributions received for the subsequent year are reduced by the amount of allocations accrued for the subsequent period. These accrued amounts are included on the statements of financial position as allocations payable.

<u>Expense allocation – functional expenses</u>

In the accompanying statements of functional expenses, all expenses are allocated based upon the functions to which they relate. Expenses were allocated among the functional categories on the basis of specific identification and estimates of time spent and benefits derived.

Income taxes

The Organization is exempt from income taxes under *Internal Revenue Code* Section 501(c)(3).

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Reclassifications

Certain amounts for 2022 have been reclassified to conform to the current year presentation. The reclassifications have no effect on the change in net assets as previously reported for 2022.

Subsequent events

Subsequent events were considered through January 24, 2024, the date the financials were available to be issued.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 2. Pledges Receivable

Pledges receivable were classified as follows:

	 2023	 2022
Pledges (expected to be collected within one year) Less allowance	\$ 479,647 (120,000)	\$ 599,614 (120,000)
	\$ 359,647	\$ 479,614

All pledges receivable were classified as net assets with donor restrictions at June 30, 2023 and 2022.

Note 3. Property and Equipment

Property and equipment at June 30 consisted of the following:

	 2023	 2022
Land	\$ 44,500	\$ 44,500
Building	1,061,483	1,061,483
Equipment	369,453	348,760
Art collection	 8,497	3,000
	1,483,933	1,457,743
Less accumulated depreciation	 (937,812)	 (881,522)
	\$ 546,121	\$ 576,221

Note 4. Planned Gifts

Beneficial interest in perpetual trusts

The Organization is the beneficiary of perpetual irrevocable trusts held and administered by independent trustees. Under the terms of the trusts, the Organization has the irrevocable right to receive the income earned on trust assets in perpetuity. The fair value of the beneficial interest in a trust is recognized as an asset and as a net asset with donor restrictions contribution at the date the trust is established. The Organization's estimated fair value at each reporting date is based on fair value information received from trustees. Trust assets consist of, but are not limited to, cash and cash equivalents, corporate and government bonds, mutual funds, and equity securities. These assets are not subject to control or direction by the Organization. Gains and losses on investments, which are not distributed by the trusts, are included in other revenue on the statements of activities.

Investment in Foundation for Roanoke Valley

The Foundation for Roanoke Valley (the "Foundation") is a community foundation trust established to receive and administer funds for various charitable organizations in the Roanoke Valley. The Organization's investment in the Foundation is stated at fair market value. The Foundation's portfolio consists mainly of equities and fixed income investments that are carried at fair value based on quoted prices in active markets.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 4. Planned Gifts (Continued)

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statements of financial position. Unrealized gains and losses are included in the statements of activities.

The fair values of investment securities at June 30 were as follows:

	 2023		2022
Money market	\$ 120,224	\$	90,415
Marketable equity securities	208,713		192,804
Bond mutual funds	33,121		46,698
Equity mutual funds	 6,702		18,268
	\$ 368,760	\$	348,185

Note 5. Net Assets with Donor Restrictions

Donor-restricted net assets for specific purposes and time are classified as follows:

	 2023		2022
Net 2021 campaign revenue Net 2022 campaign revenue	\$ - 795,589	\$	1,116,167
	\$ 795,589	\$	1,116,167

Donor-restricted net assets held in perpetuity are classified as follows:

	 2023	 2022
Beneficial interest in perpetual trusts	\$ 1,915,632	\$ 1,842,628
Investment in Foundation for Roanoke Valley	 3,816	 3,816
	\$ 1,919,448	\$ 1,846,444
Total net assets with donor restrictions	\$ 2,715,037	\$ 2,962,611

Note 6. Retirement Plan

The Organization has a defined contribution plan covering all employees having at least one year of service. Under this plan, the employer shall contribute on behalf of each participant an amount equal to 7.5% of the participant's annual compensation. Total contributions to the plan for the years ended June 30, 2023 and 2022 were \$117,056 and \$105,019, respectively.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 7. Donated Services

The Organization has a substantial number of volunteers who have donated significant amounts of their time in the Organization's program services and fundraising campaigns. In accordance with accounting principles generally accepted in the United States of America, no amounts have been reflected on the financial statements for these services.

Note 8. Emergency Food and Shelter Board

The Emergency Food and Shelter Board was established on March 24, 1983, with the signing of the "Job Stimulus Bill," Public Law 98-8. This legislation created a national board which distributes federal funds through local boards to nonprofit organizations for the purpose of extending ongoing emergency food and shelter programs. The Organization provides administrative support to the local Emergency Food and Shelter Board. In accordance with program guidelines, local boards can allocate up to 2% of the total funds awarded to a jurisdiction for administrative purposes. Administrative fees allocated were \$1,526 and \$373 for June 30, 2023 and 2022, respectively. A total of \$70,028 and \$101,597 in federal funds were distributed in the Roanoke Valley for the years ended June 30, 2023 and 2022, respectively.

Note 9. Fair Value Measurement

The Organization has adopted accounting standards which establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are based on unadjusted quoted prices for identical instruments in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for similar or identical assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the overall fair value measurement.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 9. Fair Value Measurement (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Organization's assets at fair value:

			Jui	ne 30, 2023	
	F	air Value		Level 1	Level 2

Note 10. Related Parties

The Organization's Board of Directors includes the following related parties:

- Two employees of a bank with whom a money market account is maintained. The balance at June 30, 2023 was \$54,872.
- An employee of a bank with whom a checking account, money market, and certificate of deposit are maintained. The balance at June 30, 2023 was \$466,146.
- An attorney with a firm with whom the Organization has sought legal advice.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 11. Financial Assets and Liquidity Resources

As part of the Organization's liquidity management, it invests excess cash in money markets, certificates of deposit, and equity securities. The Organization's Board of Directors has set a policy of maintaining at least three "months in funds" balance, and a maximum of six "months in funds" balance, to be used for liquidity purposes.

As of June 30, financial assets due within one year of the statements of financial position date for general expenditure were as follows:

	 2023	 2022
Cash and cash equivalents Pledges receivable, net	\$ 2,503,636 359,647	\$ 2,712,911 479,614
Investments	 368,760	 348,185
Cash restricted for designations and allocations payable	3,232,043 (421,298)	3,540,710 (504,712)
cush restricted for designations and antecantons payment	\$ 2,810,745	\$ 3,035,998

Note 12. Allocations Payable

The Community Impact Committee, comprised of volunteers, determines how funds are allocated for programming that addresses the identified needs in the community. The committee was responsible for determining how to allocate \$500,000 at the end of Fiscal Year 2023. The committee's intent was to allow for flexibility in meeting the needs of the community as it recovered from the COVID-19 pandemic. Therefore, the committee awarded \$309,500 to partner organizations as reflected in the allocations payable at June 30, 2023. The remaining \$190,500 will be utilized during Fiscal Year 2024 for mental health programs; efforts around Diversity, Equity, and Inclusion; and funds for support staffing for the Community Resources HUB and Black Father Family Initiatives.

Note 13. Lease Accounting

The Organization leases various equipment and office spaces as part of its operations. The terms of these leases range from 1 to 5 years for operating leases, expiring on various dates from 2024 to 2027. Annual payments under these agreements range from \$2,400 to \$4,800 for operating leases. Rent expense under these leases amounted to \$12,250 for operating leases and \$-0- for finance leases for the year ended June 30, 2023. Rent expense under these leases amounted to \$9,125 for operating leases and \$-0- for finance leases for the year ended June 30, 2022.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

Note 13. Lease Accounting (Continued)

The Organization's future minimum payments due under operating leases are as follows:

	Oper	ating Leases	Finance Leases		Total
Year ending June 30,					
2024	\$	8,177	\$ -	\$	8,177

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors United Way of Roanoke Valley, Inc. Roanoke, Virginia

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Roanoke Valley, Inc. (the "Organization"), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 24, 2023.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Brown, Edwards & Company, S. L. P. CERTIFIED PUBLIC ACCOUNTANTS

Christiansburg, Virginia January 24, 2023

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors United Way of Roanoke Valley, Inc. Roanoke, Virginia

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited United Way of Roanoke Valley, Inc.'s (the "Organization's") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Report on Compliance for Each Major Federal Program (Continued)

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Organization's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Report on Internal Control over Compliance (Continued)

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
